Associate Night is an opportunity for HBA's valuable associate members to showcase their company, products and services, and it gives area contractors a chance to see what great people belong to our association. Each associate will have a chance to display their products and services in an area they set up as a "mini home show" arena.

Associate members include plumbers, heating contractors, flooring suppliers and installers, financial institutions, concrete suppliers, kitchen and bath designers, landscapers, lumber, hardware and material suppliers, waste haulers, and much more. This year's Associate Night event features expanded booth space, a full hors d'oeuvre buffet, cash bar, and prize drawings to make this our best event ever! Don't miss out on your chance to be a part of it!!
